

# Leaving Outer Space Tutorial

Alex Moore

L.O.S.T.

Lights can show us the way,  
yet while they glow bright-

so grows the edge of night,  
so left from the olden way-

they say freedom's a right,  
for ye who be out of sight.

(c) Alex Moore 2016

L.O.S.T.

>Mapping worlds  
>>Non-fiction

Non-fiction describes the world you are in:

Alex says there is a square on the ground.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Mapping worlds  
>>Inner space

Fiction describes worlds that are different.

Jackie says that it's actually a triangle.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>World creating  
>>Imagination

Imagination is to think of something new.

Alex thinks of a shape they've never seen

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>World creating  
>>Invention

Invention is to create your imagination.

Alex makes the new shape they thought of.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

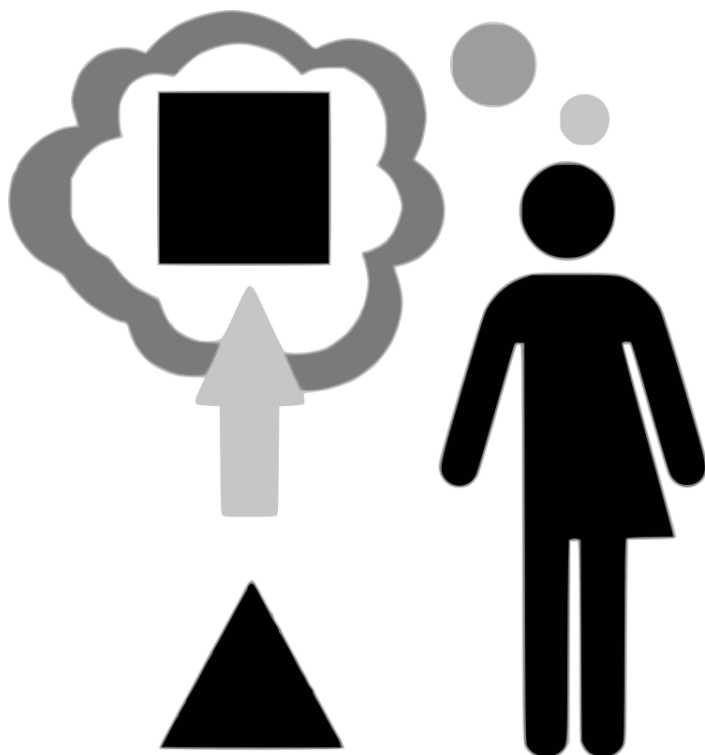

>World creating  
>>Illusion

Illusion is a perception of something not there.

Jackie mistakes the triangle for a square.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Between worlds  
>>Communication

Communication is describing something to someone.

Alex & Jackie describe the shape they saw.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Between worlds  
>>Understanding

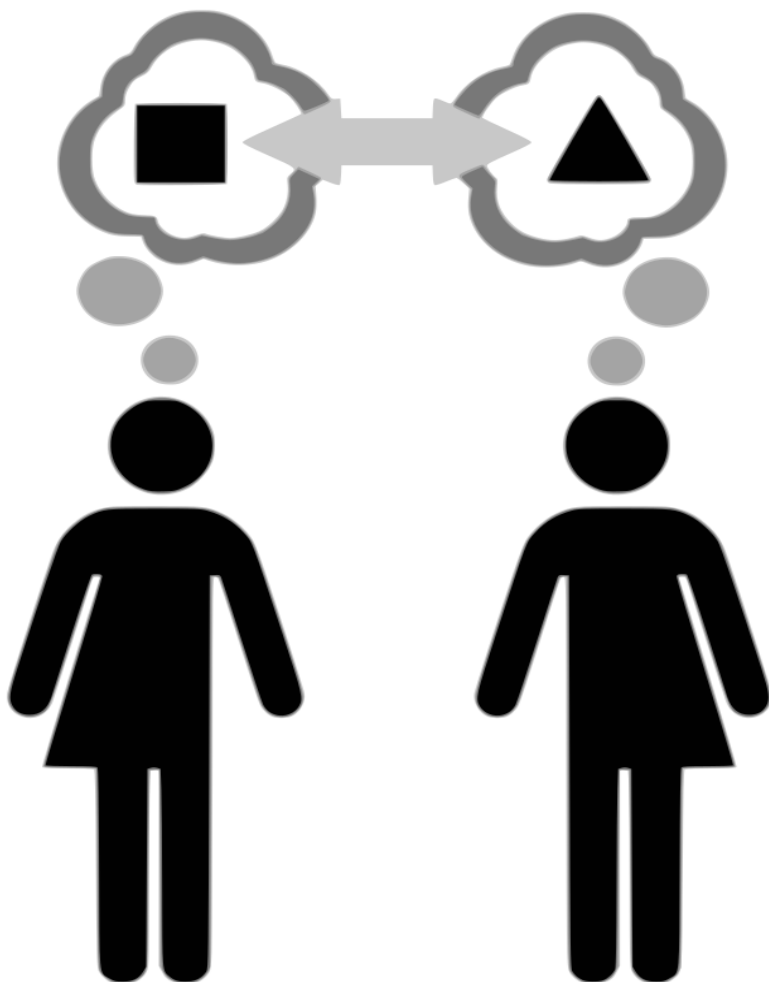

Understanding is to imagine what someone told you.

Alex & Jackie imagine eachothers description.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Techniques

>>Copying things

You can copy the environment in your mind.

Alex Thinks of theirselves in their mind.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Techniques

>>Changing things

You can change the things you copied in your mind.

Alex Imagines that they're dressed as a mage.

Describe an example:

--Leaving Outer Space Tutorial--

## L.O.S.T.

>Techniques

>>Changing worlds

You can imagine things not possible in your world.

Alex imagines their wand can cast spells.

Describe an example:

--Leaving Outer Space Tutorial--

L.O.S.T.

>Techniques

>>Sharing Imagination

People can add to eachothers imagined worlds.

Alex & Jackie pretend to be a mage & warrior.

Describe an example:
